This workshop is ideal for teams looking to strengthen their bonds and foster a growth-oriented mindset.

- Define and refine the team's values, aligning individual purpose with the broader organizational vision.
- Strengthen team cohesion and morale.
- Improve communication channels, reducing misunderstandings.
- Enhance problem-solving and decision-making capabilities.
- Increase adaptability to change and innovation.

CLIENT FEEDBACK

“Articulate, spot on, resonated with all.”

“Generated wonderful insights and bonding. We had rich and meaningful conversations.”

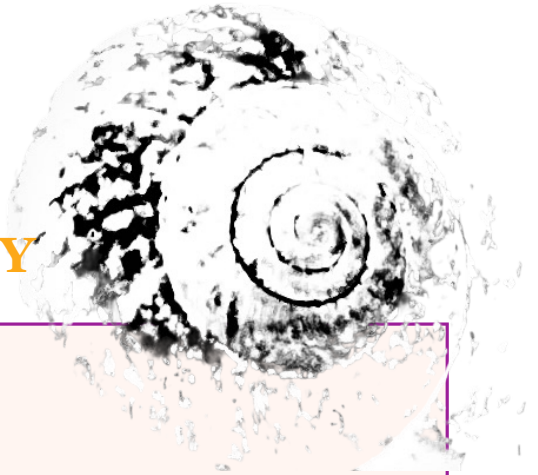

“Anna's approach to Purpose is a method-based and magical process, leading you through introspection into action. I was amazed at how she distilled data, results, conversation, and exploration of joy into a truly personalized view of my purpose.”

Anna Hall is a founder & chief purpose officer with over 25 years of experience sparking engagement, developing programs and managing technology innovation in the senior living space. She is a certified life coach. Anna built The Purpose Equation®, an evidence-informed framework, that is the basis for consulting, workshops, individual, group and team purpose guidance. Experiences are designed to ignite purpose, spark joy and provide tools for growing and adapting at any age and in every moment of life + work.
